*За фортепиано я второй раз 😊
Второй кусочек композиции сегодня
впервые училась играть по ютубу
(лучше бы пошла на стамбульский шоппинг 😊)
почему-то, до дня рождения захотелось успеть
освоить этот инструмент*

*Если ждать пересадку в
Стамбуле, то только так 🤔*

view Instagram stories Anonymously

InsAnony provides a seamless way to view Instagram stories from public accounts anonymously. No login or authorization is required—simply enter the username of the account you wish to explore, and you'll gain access to their stories discreetly. Whether you're curious about what's new or want to keep an eye on specific updates without revealing your identity, InsAnony ensures complete privacy. Plus, you can even download stories that catch your interest, all for free and with no extra steps.
