Кстати, макияж и причёску я
делаю себе тут сама, сегодня
красилась в автобусе😂

пишу, когда приходит вдохновение 🍷
Я берегу в груди пожар нежданный,
Что греет мир, но требует огня.
Ты – тот мотив, всегда такой желанный,
Что нежной тайной греет изнутри меня.
Пусть мир летит, сменяя декорации,
И время пречёт истину в тени.
Мы в этой тихой, сонной гравитации
Лишь те, кто знает, как хранить сны.

View Instagram Stories Anonymously

InsAnony provides a seamless way to view Instagram stories from public accounts anonymously. No login or authorization is required—simply enter the username of the account you wish to explore, and you'll gain access to their stories discreetly. Whether you're curious about what's new or want to keep an eye on specific updates without revealing your identity, InsAnony ensures complete privacy. Plus, you can even download stories that catch your interest, all for free and with no extra steps.
